We're grateful for the chance to perform such an inspired story in such a dynamic location as Jersey City's Powerhouse Arts District. StrangeDog's going to continue our mission of bringing shows you wouldn't see otherwise to the New Jersey area, and we hope you'll continue to join us. So, check out the website, join the mailing list, keep in touch...there's a lot of exciting stuff to come.

Yours truly,

COMING THIS AUGUST:

Bootstraps

A new play by Ben Clawson

Directed by Artem Yatsunov

Presented by Luna Summer Stage

Midnight at the BranchHill Industrial Supply Company. Mike's early. Loudjack's is late. Skipper's sweeping. And Dougan is pissed. All because the promotion to the mythic and lauded position of Corporate Rep. may finally be available...but only tonight. What won't they do to get it, in this dark comedy about ambition, trust, and antique ice machines.
